

Team Name: KLEMP

Report Number: 5

Reporting Week: 5

Summary of work completed in prior week:

We made buttons prettier on the prototype, main mapping floor to floor, and added some changes to the team website such as color.

Summary of work planned for next week:

Complete the google slideshow for the presentation we will do next week. Split up the presentation among group members and rehearse the presentation, making sure it's long enough and has the correct content.

Open issues and action plan to resolve them:

None to report
