

Team Name: KLEMP

Report Number: 15

Reporting Week: 15

Summary of work completed in prior week:

Progress on the project documentation, videos were taken for the 360 tours, we plan to use private linked youtube videos to implement them into our project.

Summary of work planned for next week:

Finalize plans for the final presentation as well as upload all the weekly reports, have the documentation complete, and all building directions working.

Open issues and action plan to resolve them:

None to report

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
Amanda	Reports, documentation, testing	1	15
Odin	Testing site	1	15
Megan	Testing site	1	15
Nikolai	Testing site	1	15
Joseph	Testing site	1	15

Meeting summary

We've had several. Short discord calls throughout the week with varying attendance. We mainly would meet to quickly discuss what to do next, then add notes to our team to do list in the Discord chat.
