Team Name: KLEMP
Report Number: 6
Reporting Week: 6

Summary of work completed in prior week:

Complete the google slideshow for the presentation we will do next week and decide who will talk about what during the presentation.

Summary of work planned for next week:

We want to get work done on planning the real project, using the prototype as a guide we will decide who will work on what in terms of front end and back end.

Open issues and action plan to resolve them:

None to report
